Multiple Events (Piano and Voice Only)

A student performing in more than one event (e.g. voice and piano solo or concerto) may request to be scheduled on the “same day” or “different day” for the second event. If the student prefers to perform the “same day,” the piano event must be on the same day as the instrumental event. No fee is required in this case. However, if a specific day is requested for either event, then a one-time special request fee must be paid. Families with one student may specify a specific day upon payment of a \$20.00 Special Request fee. Families with more than one student participating may specify a specific day (or days) for the performances upon payment of a \$30.00 Special Request fee.

Concertos

Piano teachers who are accompanying students in the concerto event may indicate their preference as to day and morning/afternoon. Just add a note when submitting applications.

Syllabus of Required Piano Pieces

The Syllabus of Required Pieces was revised September 2007 and is the ONLY list of acceptable required pieces for the YMF. To obtain a copy of the syllabus, please go to the Festival web site: www.ymfestival.org. A student may stay at a given level more than one year if a new required piece at that level works best for that student. Once they have

earned a Gold rating, however, students are encouraged to progress to a higher level.

Choice Piece Selection

Choice pieces should be comparable in difficulty to level of required piece (consult General Rules for more information). When in doubt, contact the Festival Registrar in advance of deadline. Applications with inappropriate choice pieces will be returned. A graded list of suggested choice pieces is available on the Festival website: www.ymfestival.org.

Piano General Rules

Please read the General Rules included in the Syllabus very carefully. There are several rules concerning choice pieces and time limits. Copies of the Piano Syllabus 2007 edition as well as the Syllabus of Suggested Choice Pieces can be obtained at www.ymfestival.org.

Instrumental Syllabi

Please refer to the website: www.ymfestival.org

Your Participation

Piano teachers are required to give a minimum of two (2) hours to assist in the operation of the Festival. Day Chairman, Assistant Day Chairman and Room Monitoring are essential to the smooth running of the Festival. Those who are not able to volunteer must send a substitute or they WILL NOT be allowed to participate in the following year.

Thank you in advance,
